

HAITI EARTHQUAKE DISASTER

The Seigneur and Seneschal have discussed a Sark response to the tragic events in HAITI in the Caribbean. It has been decided NOT to set up a specific Sark fund but to encourage donations to the **RED CROSS** through Zoë Adams, the Sark Branch organiser, who has already put collecting jars around the village and who will also accept larger amounts directly to her.

Donations can be also be made to the NatWest Bank and the HSBC Bank with cheques made out to the “Disasters Emergency Fund”.

Urgent assistance is needed for the huge relief effort required and a Sark only fund would mean a slower response in getting money to the disaster areas. Please help and be assured that all donations, no matter how big or small, will help provide immediate assistance to those in dire need.
